No apretar en exceso.
 Do not over tighten

Peso máximo por estante: 10Kg
 Maximum weight per shelf: 10Kg

NOTA IMPORTANTE / IMPORTANT NOTE

Para desplazar la estantería en el montaje o manipulación, debe estar vacía y cogerla mínimo entre dos personas, manteniéndola nivelada y sin arrastrarla. De lo contrario se fuerzan los puntos de unión pudiendo dañarse.

To move the shelf when assembling or handling, it must be empty and take it by two people, keeping it leveled and without dragging it. Otherwise the joint points get forced and they may be damaged.
